July 4th—Thursday , July 4th we will be closed. Thursday's service will occur on Friday and Friday's services will be done on Saturday.

- Recycling Week

- Yard Waste Week

**RCC** - Recurring Payments

RCC—Recurring payments run the 2nd Thursday of the billing cycle. Standard quarterly customers will be debited April 11th and July 11th while monthly will be each month.

#### Friendly Service Reminders

- All cans must be out by 5 am for services. With construction and roadwork ramping back up, we have to prioritize getting into areas that will be closed for the day resulting in routing adjustments that change service times week over week. If all of your cans are not out, it may result in your services being unrendered for the week.
- Cans must be at least 2 feet away from fences, mailboxes, cars, personal property and other carts to safely service.
- Please do not overload your cans. Lids must be closed in order to service cans. Overloaded cans may result in additional charges for the extra material or non-service.
- Be sure cans only contain authorized material. Contaminated cans may result in contamination charges or non-service.
