

NORTHERN RECYCLING AND WASTE SERVICES

JANUARY – MARCH 2010

# NRWS News

876-3340

920 American Way • Paradise, CA 95969

## Block Styrofoam Drop Off

NRWS Recycling Center

920 American Way

Mon. - Sat. • 10 a.m. - 4 p.m.

Drop off all your clean Polystyrene (i.e. Styrofoam is actually the Dow Chemical brand name, Polystyrene is the material)

**No food containers, cups or packaging peanuts.**

## Reuse Program

Help Local Thrift Stores First:

Senior Thrift, Community House

& Hospice Thrift

NRWS will take the rest

Bring us your old shoe(s), clothes, dishes, books, paintings, stuffed animals, toys, textiles, etc. that local thrift stores can't sell or won't take.

NRWS Recycling Center

Mon. - Sat. • 10 a.m. - 4 p.m.

For More Info • Call 876-3340

## RECYCLING & YARDWASTE ALTERNATING SCHEDULE

## Commercial Services

Interested in increasing your recycling program and decreasing your monthly bill? NRWS is here to help, we offer free waste audits, training, inside containers and hands on assistance to help make your program successful. Call today to make an appointment and help lead our community to a future of zero waste.

## Making a Difference Together

Together we diverted over 36 million pounds of material in 2009! However, waste production in the U.S. keeps growing. There are hundreds of opportunities each day to nurture a sustainable culture in your home, school, workplace, church, and community. Don't forget that all recyclables can go into your blue cart together (see below for a complete list). If you have items that are not on the list and would like to recycle them give us a call at 876-3340 and we will guide you in the right direction.

### Everyone Doing Their Part

#### MIXED PAPER

- Newspaper
- Magazines, catalogs & glossy paper
- Brown paper bags
- Paper packaging
- Egg cartons
- Milk & juice cartons
- Carbonless paper
- Office paper (all colors)
- Phonebooks & soft cover books
- Envelopes (with labels or windows okay)
- Junk mail
- Shredded paper in clear bags
- Box board (shoe boxes, cereal boxes, etc.)
- Cardboard (break down before placing in cart)

PLEASE NO hardcover books or binders, paper tissue/towels, paper with plastic coatings.

#### PLASTICS

- All containers numbered 1-7
- All rigid plastic (tubs, containers, 5 gallon buckets, toys, clamshell trays, plant pots & laundry baskets)
- All California Redemption Value (CRV) containers accepted
- All colors - lids/caps okay; please separate from container
- Rinsed & empty (this helps manufacturers assure that items can be recycled)

PLEASE NO Styrofoam/ Polystyrene in blue carts.

#### METAL ITEMS

- Aluminum cans
- Tin & steel cans
- Clean aluminum foil
- Empty aerosol cans
- Small scrap metal (36" or less)
- Pots, pans & utensils
- Loose lids from jars

PLEASE NO electronic or computer equipment.

#### GLASS

- All beverage & food containers, labels okay
- All colors, lids okay; please separate from container
- Rinsed & emptied

PLEASE NO window glass, mirrors, drinking glasses, ceramics, light bulbs, or fluorescent tubes.

**Reduce, Reuse, Recycle & Rot:** *Recycling is the easiest way we can provide for a sustainable future, however, when we reduce and reuse we take a larger step toward protecting the environment. Reducing the amount of packing you purchase and reusing glass and plastic containers helps decrease air and water pollution.*
