Win a Free Year of Service!

Help NRWS provide you with the best service possible by completing our Customer Satisfaction Survey.

All participants will be entered for a chance to win a free year of service.

Either fill out the insert in your bill and send it in with your payment or go online and click "take survey" on our home page at www.NorthernRecycling.biz. Drawing will be held March 1st.

No Hot Ashes!

Hot ashes are not allowed in your yard-waste cart. They can cause fires that destroy your cart and present an unnecessary threat to your home and safety. Ashes can be placed into your yardwaste cart after they have been sitting outside for a minimum of 3 weeks.

Overloading

Overloading is a common mistake people make. Trucks cannot service carts that are overloaded. This includes trash, recycling and yard waste carts.

If you need an extra pick please call the office at 876-3340. We also have temp bins available for large cleanup jobs. Rates are always reduced if you keep the material out of the landfill. Call or visit our website for details.
