Grand Opening: Town of Paradise HHW Reuse Center

Starting January 17th the Town of Paradise HHW Reuse Center will open its doors to the public. The Reuse center will feature a variety of HHW products that can be taken free of charge (i.e. Drano, cleaning supplies, paint, car wax, fertilizers, pesticides etc.). All materials are in new or high quality condition. The goal is to support sustainability by reusing all our available resources instead of throwing them

away. The HHW Reuse Center is open to all customers, you can take up to 14 items at a time. Hours are 9 a.m. to 1 p.m. or as long as supplies last. We will be open once month to start as we determine the supply and demand of the Center. See your calendar for days of operation.
