

Northern Recycling & Waste Services

The entire NRWS team would like to offer best wishes and a happy new year. We thank our community for their successful recycling efforts. Paradise is well on its' way to being the leader in waste reduction in Butte County; but we can do more. NRWS would like to help you continue to reduce your waste as we enter 2008.

RECYCLING AND YARD WASTE SCHEDULE

Recycling (Blue Cart) =  Yard Waste (Brown Cart) =

27	28	29	30			

Free Christmas Tree Drop Off

December 26th through January 31st free drop off of Christmas trees down at the Vegetative Waste Facility at **925 American Way (Open Tues-Sat 9 a.m. to 4 p.m.)**. Trees cannot be flocked and must be tinsel free to be accepted. Trees will then be taken to Lake Oroville to be used as fish habitat.

Household Hazardous Waste Collection Event

To be held **April 12th from 9 a.m. to 2 p.m.** at **NRWS Recycling Center at 920 American Way**. This Event is to promote proper disposal of hazardous waste. We will accept all Hazardous waste **free of charge for one day only**.

Free Styrofoam Drop Off

Environmentally, Styrofoam is one of the worst packaging materials that can be used. Each year Americans throw away 25,000,000,000 Styrofoam cups, enough every year to circle the earth 436 times and it never breaks down! Because many fragile and electronic Christmas gifts come packed in Styrofoam, NRWS will accept this packaging material for recycling at our **Recycling Center, 920 American Way (Open Mon - Sat 10 a.m. to 4 p.m.)**. All Styrofoam must be clean. No food containers will be accepted. Your participation in this sample program will help us determine our future goals.

How Long Does It Take to Decompose?

Cotton Fabric	1 – 5 months
Apple core	2 months
Paper	2-5 months
Canvas products	1 year
Milk Cartons	5 years
Filter-Tip Cigarettes	10- 12 years
