

NORTHERN RECYCLING AND WASTE SERVICES

JULY – SEPTEMBER 2008

NRWS News

876-3340

920 American Way • Paradise, CA 95969

CART PLACEMENT—It's more efficient to roll out your recycling carts only when they are at least half full. This saves time, energy and resources for everyone! Proper placement is to have each container 2 to 3 feet apart with the lid opening facing the street. Overfilling is not advised and will cause a delay in pickup and unnecessary litter.

Got an Extra Cart?
During roll out of new services many extra carts were delivered; if you have an extra cart not being used please call NRWS & we will remove it free of charge.

NOTICE
Town Ordinance 477 requires all carts to be set out no earlier than 24 hours prior to pick up and pulled back from the curb, street, and/or front yard within 24 hours after pickup.
It is also a courtesy to your community to keep our neighborhoods clean, and free of clutter.

New Items Now Recyclable!
PLASTIC TOYS, BUCKETS, & DELI TRAYS! All go into the **Blue cart** thanks to Paradise's diligent recycling efforts we continue to provide manufactures with clean single stream recyclables, allowing increases in production and increases in available markets for more recyclable materials. Keep up the good work.

Holiday Schedule
New Year's Day
4th of July
Thanksgiving
Christmas Day
When your pickup day falls on or after any of the above holidays, service will be delayed one day. For example, if your pickup day is Friday July 4th pickup would be on Saturday with regular pickup resuming the following Monday. For all other holiday's not listed, service schedule is normal .

About the Rate Increase on this Billing...
It is always a difficult task of adjusting rates when cost of living continues to increase. Realistically, increases in cost to operate effects the rate payer. The current rate increase of 4.35% is a combination of Landfill solid waste and yard waste disposal fee increases and an allowable Cost of Living Adjustment (COLA) that is included in the franchise agreement with the Town of Paradise. There shall be no further rate increases through June 30th, 2009.
