RECYCLING CENTER UPDATE

RUNNING STRONG AMIDST CLOSURES

Earlier this year rePlanet, California's largest beverage container recycler, closed 191 beverage container-redemption, and recycling centers due to reduced state payments and record declines in

commodity pricing. This left many rural communities without a place to take bottles and cans. However the situation in Paradise is hardly bleak, our Recycling Centers goal is reduce, reuse and recycle resources to protect our environment and our community. We are dedicated to increasing diversion options through responsible outlets. The NRWS Recycling Center and the COVE Recycling Center are open and will continue to provide the Upper Ridge with all their recycling needs.

The NRWS Recycling Center at 920 American Way, is open Monday through Saturday 9 a.m. to 4 p.m. We buy back all CRV beverage containers and provide free drop off for all Recyclables, Styrofoam, Appliances (Freon items do have a \$15 charge), Electronic Waste, Oil, Antifreeze, Sharps, Scrap Metal and Batteries. The COVE Recycling Center at 8279 Skyway is open seven days a week

from 9 a.m. to 4 p.m. for the buyback of all your CRV beverage containers and free drop off for sharps.

Household Hazardous waste items can be dropped off once at week at the Town of Paradise Permanent HHW Facility please see your calendar for correct days.

PLAN AHEAD BEFORE DROP OFF

Before heading out to your local recycling center review these tips to make drop off easier and faster.

1. Make sure all your beverage containers are emptied and separated by material; aluminum, plastic and glass. For the glass further separate out into color.
2. When arriving at the recycling center please note that these facilities are self service, park and check in with an attendant so that they can guide you to the right spot to recycle your items.
3. If you have a large item that you need assistance unloading please call ahead to let staff know so they can make the proper arrangements.

CALENDAR

MISCELLANEOUS ITEMS

If you have an item that you would like to recycle but are not sure where to take it, please contact us at 876-3340 and we will be happy to answer your questions and, if possible, find a place for your item(s), or visit our website to access our Recycling Guide to see if your item(s) is listed. Mattresses can be recycled at Neal Road Recycling and Waste Facility, 1023 Neal Road Open 7 a.m. to 4 p.m daily, 345-4917.

COMMERCIAL/ EVENT RECYCLING

FREE SERVICES AND TOOLS TO INCREASE YOUR RECYCLING

NRWS provides a variety of free services to help all commercial businesses reduce waste and save money; free staff training, waste studies, reports to determine where changes can be best applied, and free inside containers, all help make it all as easy and effective as possible.

Having an Event? We offer efficient, customer-friendly services to ensure that your event leaves the smallest footprint possible. We offer event services to help make your event as "waste" free as possible.

We develop a plan for your event, which includes recycling, compost and trash services, consult on waste diversion plans, monitor and provide bins, educate attendees, and take all the materials away. On average, we will divert anywhere from 50- 99% of waste.

HHW FACILITY TIP

Only fluorescent tubes and CFL's (compact fluorescent lights) contain mercury and must be brought to a HHW facility. Incandescent bulbs, pictured on the left and LED bulbs pictured on the right, go into the trash. For a complete list of HHW acceptable items and facility procedures please visit our website at www.NorthernRecycling.biz.
