### **Route changes**

We appreciate everyones support and patience adjusting to the new route changes that took place at the beginning of November. The changes were implemented for maximum efficiency, to keep costs low, reduce emissions and wear and tear on the roads. As a result some pickup days and/or pickup times have changed. The best way to make sure your carts get picked up is to make sure they are out on your service day before 6 a.m. Most opt to put their cans out the night before. **Troubleshooting Bears** 

# CHRISTMAS TREE DROP OFF

Paradise & Magalia **Northern Recycling and Waste** Services

Call **876-3340** for more info.

#### December 26th-January 31st.

- \* Paradise Vegetative Waste Yard, 920 American Way, Open Tues to Sat. 9-4pm
- \* Curbside green waste pickup on regular yard waste day. Remove all tinsel & ornaments. No flocked tress. Cut into 3 ft. sections. Tree must fit inside green waste cart.

If the route change has resulted in

unwanted bear problems, this can be remedied by securing the lids of the NRWS carts with a ratchet strap, that our drivers will remove on your service day. It is recommended to store carts inside a shed or garage between service days. Freeze food scraps and place in garbage when taking cart to the street for service day. Don't leave trash, groceries or animal feed in your cart. Keep garbage cans clean and deodorize them with bleach or ammonia. Don't leave any

scented products outside, even non-food items such as suntan lotion, insect repellent, soap or candles. Keep barbecue grills clean. Keep pet food and pets inside. Securely block access to potential crawl spaces under decks and buildings. Consider installing motion-detector alarms, electric fencing or motion activated sprinklers.

#### **Leaf Blowing into the Street Prohibited**

Section 8.56.070 of the municipal code prohibits any person or entity to discharge or cause to be discharged into the storm drain system or waters of the state any non-stormwater discharges, including "Deposition of sediment from landscaping activities, such as blowing, sweeping, or washing waste materials into the storm drain system." Please make sure that any contracted landscaper / workers know the code so that we can keep Paradise streets and water ways clean. For a complete copy of the municipal code visit www.TownofParadise.com

#### 2018 HOUSEHOLD HAZARDOUS WASTE FACILITY, REUSE CENTER & SERVICE CALENDAR
