Butte County Winter Newsletter **January-March 2026**

Important Solid Waste Notice for Your Area

Northern Recycling and Waste Services (NRWS) weekly collection will remain as they have been with no changes at this time. Please discard the previous mailer that was sent in November 2025. NRWS has been informed by the Waste Management Division of Butte County Public Works Department that the implementation of SB1383 weekly Organics/Composting program has been postponed in all areas of unincorporated Butte County until further notice.

Please proceed with the same weekly solid waste collection program that has been previously in place with the bi-weekly, alternating collection of the recycling and yard waste containers until we receive further direction from the Butte County Waste Management Division of Public Works. The 2026 calendar is on the back of this newsletter or you can find it on our website NorthernRecycling.biz

Should you have any questions regarding the suspension of this rollout, please contact our office at 530-876-3340, our email: customerservice@northernrecycling.biz
